

NEVADA - WALL MOUNTED BIOETHANOL FIREPLACE

BIO-10-008

The ScandiFlames Nevada is a wall-mounted bioethanol fireplace, making it perfect for rooms with limited floor space. Its design offers a large view of the flames, which sits behind a protective glass panel. With a 1.5-litre bioethanol burner, it provides up to 6 hours of burn time and a heat output of approximately 2.2 kW, usually enough to heat a room of 25-30 square meters. The fireplace can be mounted on almost any wall and doesn't require a chimney, ensuring flexible and easy installation. The included manually operated bioethanol burner requires no electrical connection, enhancing its convenience and simplicity.

TECHNICAL SPECIFICATIONS

Burner

Burner type	1.5 Litre Deluxe
Flame length	24 cm
Minimum room size	45 m ³
Heat output (max)	2,2 kW
Requires electricity	No
Capacity	1.5 Litres
Burn time	6 hours
