

MERTON TABLE BIO FIREPLACE

BIO-20-204

The ScandiFlames Merton is an elegant freestanding tabletop bioethanol fireplace with glass sides, measuring H: 40 cm x W: 47 cm x D: 19 cm. This unique bioethanol fireplace features a floating burner, providing a captivating look that fits perfectly in modern interiors. The glass sides offer maximum visibility of the flames, whether placed on the floor or a table. It is easy to maintain as it does not produce soot or smoke and requires no electricity.
