

NEBRASKA WHITE - WALL MOUNTED BIOFIREPLACE

BIO-10-044

ScandiFlames Nebraska wall-mounted bio fireplace in white with a glass front. Measures H: 54 cm, W: 78 cm, D: 16.5 cm, and has a burn time of up to 6 hours. This elegant and sleek bioethanol fireplace is perfect for wall mounting and easily blends into any home with its timeless design. The safety glass on the front makes it ideal for families with children and pets. The combination of the white frame and black backplate creates a beautiful contrast, enhancing the flames' colors and depth. Easy to maintain and clean, as it produces no smoke, soot, or ash. Includes mounting brackets, extinguishing tool, and requires no electricity.
