

FLOOR STANDING BIO FIREPLACE - STEEL AND BLACK

BIO-20-268

This elegant floor bioethanol fireplace from ScandiFlames combines black and stainless steel with glass on both sides for a stylish and timeless design. With rounded corners and maximum visibility of the flames, this freestanding fireplace creates a graceful atmosphere in any room. It has a burn time of up to 6 hours per filling and requires no electricity. The bioethanol fireplace is easy to maintain as it produces no soot, smoke, or odor.
