

BUILT-IN BIO FIREPLACE - ROUND

BIO-30-008

The ScandiFlames round built-in bio fireplace is an elegant and compact fireplace, crafted from stainless steel and tempered glass. It features a 1.5-liter bioethanol capacity, offering up to 6 hours of burn time per fill. This fireplace requires no chimney or electrical connection, making it flexible and easy to install. With a heat output of 2.2 kW, it is perfect for creating a cozy atmosphere in rooms up to around 40 square meters. Its simple design makes it suitable for adding a touch of luxury to any setting.
