

140 CM BLACK BUILT-IN BIOETHANOL FIREPLACE

BIO-30-016

One-sided 140 cm built-in bio fireplace, designed to fit snugly against the wall. With a 6 litre bioethanol burner, it provides up to 6 hours of beautiful flames. Perfect for wall integration in modern homes and creating a cosy atmosphere. The black elegant design highlights the natural glow of the flames and creates a stylish and warm atmosphere. The package includes safety glass, installation frame, mounting screws and an operating tool. No electricity or chimney required.
