

CROSBY FREESTANDING BIO FIREPLACE

BIO-80-011

Traditional and elegant freestanding bio fireplace that combines classic design with modern functionality. Measuring H: 101.3 cm x W: 115 cm x D: 29.5 cm, this fireplace adds timeless charm to your home. Designed with classic carvings and a white finish, it contrasts beautifully with the black interior background, enhancing the flame's depth and glow. The bio fireplace has a burning time of up to 2.5 hours per refill, with a firebox capacity of 0.75 liters. It requires no chimney or electricity and is easy to maintain, as it produces no smoke or soot.
