

## COLYTON FREESTANDING BIO FIREPLACE

BIO-80-014

The Colyton traditional ethanol fireplace is an elegant and classic white bio fireplace that adds a timeless touch to any room. Measuring H: 67.9 cm x W: 80 cm x D: 27.5 cm, this through-view fireplace features an updated, sleek design that fits naturally into your home. The black background highlights the flame's colors and intensity. The included burner has a capacity of 0.5 liters, providing up to 2 hours of burn time per refill. The bio fireplace requires no chimney or electricity and is easy to clean and maintain, as it produces no smoke or soot. It is simple to install and comes with extinguishing and flame adjustment tools, as well as the German TÜV certificate.
