

## CARTERTON FREESTANDING BIO FIREPLACE

BIO-80-025

The Carterton fireplace stands out with its striking and modern design, inspired by classic traditional styles. Its unique look features three-dimensional triangular details that add an exclusive touch. The black background enhances the flame, providing a deeper, more intense glow. With a 0.75-liter burner, the fireplace offers up to 2.5 hours of burn time per refill. Easy to clean and maintain, the Carterton produces no smoke or soot and requires no chimney or electricity. Its blend of classic and contemporary design makes it a perfect fit for any modern home.
