

## CORNER BIO FIREPLACE 60 CM (LEFT)

BIO-80-028

This elegant built-in bioethanol fireplace is ideal for corner installations, providing a stylish focal point in any room. Its black frame accentuates the flame, making it appear more vivid and natural. The left-sided design allows you to enjoy the beautiful fire from multiple angles, enhancing the room's ambience. The included burner has a 0.5-liter capacity, offering up to 2 hours of burn time per refill. The corner fireplace requires no electricity and comes fully assembled, making setup straightforward and hassle-free.
