

## BIOETHANOL FIREPLACE WITH VERTICAL FRAME

BIO-80-043

This elegant bio fireplace is designed for wall mounting, adding a stylish touch to any modern home. Measuring 65 cm in height and 90.2 cm in width, it offers a broad view of a realistic, intense flame that is beautifully highlighted by its black backplate and sides. The fireplace is easy to install, requires no chimney, and produces no smoke, soot, or ash, making it both practical and low-maintenance. It can also be built into the wall for a more minimalist appearance. TÜV-certified for safety.
