

LONDON BIO FIREPLACE - BLACK

BIO-20-282

Sleek, black bioethanol fireplace designed for versatile placement in your home. With a minimalist, freestanding design, it can be easily integrated into an existing fireplace or used as a standalone unit. Featuring a 1.2-litre adjustable burner, the London provides up to 6 hours of burn time per fill. This fireplace operates without the need for electricity, enhancing its convenience and simplicity. A user-friendly operation tool is included, making it an ideal choice for those seeking a modern and flexible heating solution.
