

BERLIN - BIO FIREPLACE FOR FLOOR

BIO-80-053

Berlin is a mid-sized freestanding bioethanol fireplace, suitable for both indoor and outdoor use. Featuring two large glass panels, it provides effective wind protection, making it ideal for outdoor settings, provided it is sheltered from rain. This fireplace requires no installation and is ready for use in minutes. Weighing approximately 17 kg, it is easy to move around. With up to 1.5 hours of burn time and a 0.5-liter capacity, the Berlin combines functionality with modern design.
