

FOCO ONE 1000 SLIM

BIO-30-108

The Foco One 1000 Slim is a sleek, one-sided bioethanol fireplace designed for wall installation, where the flames are visible from one side. With a depth of just 20 cm, this fireplace is perfect for narrow partition walls. It features an adjustable bioethanol burner with a 4-liter capacity, providing up to 6.5 hours of burn time. Made of 4 mm powder-coated stainless steel, it offers a timeless design. The tempered glass shields the flames, ensuring a stable fire. Installation is straightforward and requires no special certification.
