

FOCO CORNER LEFT 1000

BIO-30-123

Foco Corner Left 1000 is an elegant corner bioethanol fireplace designed for wall installation, allowing you to enjoy the flames from both the front and left sides. This left-sided model adds a modern and timeless element to any room. You can choose between manual or automatic bioethanol burners, offering adjustable flame levels and remote control for added convenience. Installation is relatively simple and can be done by yourself as it does not require any certification.
