

BIOETHANOL BURNER INSERT - 50 CM

BIO-20-291

The ScandiFlames Bioethanol Fireplace Insert - 50 cm is a freestanding burner designed to transform your old fireplace into a modern, eco-friendly bioethanol fireplace. Featuring a 45 cm superior burner, it offers up to 7.5 hours of burn time and a maximum heat output of 2.4 kW. The package includes a 50 cm black powder-coated steel base, flame control, and extinguishing tools. No chimney or electricity is required, ensuring simplicity and flexibility in installation and use.
