

THREE-SIDED 120 CM WALL BIO FIREPLACE WHITE

BIO-10-050

This three-sided white wall-mounted bio fireplace from ScandiFlames is blending modern design with functionality. With a width of 120 cm and openings on three sides, this bio fireplace offers a stunning view of the flames from every angle. The manual bioethanol burner has a capacity of 5 liters and a width of 100 cm, providing up to 6 hours of burn time per fill. The flame size and intensity can be adjusted, and the fireplace delivers a heating output of up to 6.5 kW. Easy to install with just four screws and no need for a vent or chimney, this bio fireplace is perfect for any room.
