

## ICON SLIMLINE FIREBOX FBDS2000 BLACK

BIO-70-220

The Icon Slimline Firebox FBDS2000 - Black is a double-sided bioethanol fireplace that seamlessly blends modern design with high functionality. Delivering an impressive heat output of up to 9.8 kW and up to 9 hours of burn time per fill, this fireplace efficiently complements your primary heating source. Its sleek stainless-steel design fits perfectly into both new and existing walls. With no need for a chimney or electricity, it offers a flexible and eco-friendly heating solution, enhancing your space with a sophisticated, contemporary look.
