

ICON SLIMLINE FIREBOX FBDS2000 800

BIO-70-221

The Icon Slimline Firebox FBDS2000 800 is a double-sided built-in bioethanol fireplace that combines stylish design with practical features. Equipped with two Slimline 800 burners, this fireplace offers up to 8 hours of burn time and a maximum heat output of 5.4 kW. The adjustable flame allows you to control both heat and bioethanol consumption. Its black finish accentuates the vibrant flame colors, and no chimney is required, making installation simple and flexible. This is an eco-friendly solution that brings both warmth and elegance into your home.
