

SQUARE BIOETHANOL FIREPLACE WITH ROUND EDGES

BIO-10-004WH

Square wall-mounted bio fireplace with rounded edges in elegant white powder-coated steel. This compact bio fireplace measures 50 cm in height and width, with a depth of just 20 cm, making it ideal for smaller spaces. The included 1.5-liter manual bioethanol burner provides up to 6 hours of burn time. The flame size is adjustable, and the safety glass in front protects the flames from small drafts. Easy to install with the included screws, it requires no vent or chimney, making it perfect for rooms of at least 45 m³. The heating output is up to 2 kW, equivalent to about 1/3 of a traditional wood stove.
