

SQUARE BIOETHANOL FIREPLACE WITH ROUND EDGES IN BLACK

BIO-10-004BK

Square wall-mounted bio fireplace with rounded edges in elegant matte black powder-coated steel. This compact bio fireplace measures 50 cm in height and width, with a depth of just 20 cm, making it ideal for smaller spaces. The included 1.5-liter manual bioethanol burner provides up to 6 hours of burn time. With adjustable flames and safety glass in front, the fireplace offers both flexibility and safety. Easy to install with the included screws, it requires no vent or chimney, making it perfect for rooms of at least 45 m³. The heating output is up to 2 kW, equivalent to about 1/3 of a traditional wood stove.
