

CORNER FIREPLACE 65 CM - RIGHT

BIO-30-026R

Right-facing, compact and affordable bio fireplace for installation in a wall. The fireplace has a width of 65 cm and the possibility to view the flames from two sides. The black powder-coated steel construction and safety glass protect the flames from draughts. The burner holds 3 litres of bioethanol that burns for up to 7.5 hours. The flame size can also be easily adjusted using the included operating tool.
