

BIOETHANOL FIREPLACE INSERT - 30.5 CM

BIO-20-310

This Bio Grate 30 cm Freestanding Bio Fireplace Insert is designed to convert your traditional fireplace or wood stove into an eco-friendly bioethanol fireplace. With a capacity of 1.5 litre, this insert offers up to 6 hours of burn time per fill, providing warmth and ambiance without the need for a chimney. Enjoy a smoke-free, soot-free, and ash-free fire that requires minimal maintenance. Easy to install and move, it can also be used outdoors on a patio table for added versatility.
