

CARL ELECTRIC FIREPLACE

BIO-90-303

The Carl electric fireplace from Westbo is a compact and elegant solution for those seeking warmth and cosiness without the hassle. Crafted from cast iron, this fireplace delivers a 1.2 kW heat output and requires only a simple connection to electricity. With two heat settings and a built-in hot plate, hidden beneath the stove's crown, Carl is both practical and stylish. This small fireplace is perfect for smaller spaces, adding charm and traditional Swedish craftsmanship to any decor.
