

## ROUND BIO FIREPLACE - BLACK

BIO-20-217

The ScandiFlames round floor-standing bioethanol fireplace in black is a modern, freestanding fireplace shaped like an arch. With its smooth lines and a burn time of up to 6 hours, this fireplace is both elegant and functional. The wide arch provides a clear view of the flames from both sides, while the safety glass protects the surroundings. This sleek and easy-to-maintain fireplace fits perfectly into any modern home. The black contrast adds an elegant look, and with bioethanol as fuel, there is no soot, smoke, or ash.
