

BIOETHANOL BURNER INSERT - 57.4 CM

BIO-20-315

This Bioethanol Fireplace Insert - 57.4 cm is a perfect solution to convert your traditional fireplace into an eco-friendly bio fireplace. With a 2.5-liter burner, it offers up to 7.5 hours of burn time, providing your space with warmth and ambience. This insert is designed to fit into various Xaralyn surround fireplaces and features an adjustable flame for customisable comfort. Easy to install without the need for a chimney, the package includes a powder-coated steel base, flame control tools, and a manual for convenience.
