

## PLANIKA CABO DAZE / LAURENT

BIO-60-099

Planika Cabo Daze and Laurent are freestanding bioethanol fireplaces with an elegant Dekton finish in white or black marble look, suitable for outdoor use. Utilizing Planika's BEVTM technology, which vaporises bioethanol before burning, it ensures cleaner and safer flames adjustable in 6 levels. The electronic components are waterproof, and the fireplace is controlled via a control panel, remote, or app. With up to 8 hours of burn time and a heat output of up to 9.4 kW, Cabo Daze and Laurent bring warmth and ambience to your terrace.
