

PLANIKA ROCK DAZE / LAURENT

BIO-60-092

Planika Rock Daze and Laurent are freestanding, automatic bioethanol fireplaces featuring BEV technology. Their frame is made of 12mm thick Dekton slabs in a black or white marble look, resistant to scratches and high temperatures. The flames are visible from three sides, fully enclosed with glass for enhanced safety. With 2 adjustable flame levels, up to 9 hours of burn time, and a heat output of 3.2 kW, the fireplace can be controlled via a control panel or remote. It requires no chimney, making it both practical and stylish.

TECHNICAL SPECIFICATIONS

Burner

Flue/chimney	Not Required
