

PLANIKA PORTO DAZE / LAURENT

BIO-60-402

Planika Porto Daze and Laurent are freestanding bioethanol fireplaces with an elegant Dekton finish in white or black marble look, specifically designed for outdoor use. Using Planika's BEVTM technology, bioethanol vaporizes before burning, ensuring cleaner and safer flames. The fireplace can be adjusted in 6 levels and controlled via control panel, remote, or app. Porto Daze and Laurent are waterproof, have wheels for easy mobility, and provide up to 14 hours of burn time, creating a cosy biofireplace ambience on the terrace.
