

DENVER CURVED 150 CM FLAMME

BIO-50-575

Decoflame Denver e-Ribbon Curved is a high-end bioethanol fireplace with a unique curved design. Perfect for large spaces like lobbies, hotels, and restaurants, this U-shaped fireplace is designed to impress. It features an automatic burner that can be easily controlled via remote. The Denver e-Ribbon Curved offers all the benefits of a bioethanol fireplace: no chimney, no smoke, and no soot, as it burns cleanly on bioethanol. With 6 adjustable flame levels and a capacity of 7.2 liters, it can burn for up to 20 hours.
