

ESPOO FLOOR- 3 LEGGED

BIO-50-659

DecoFlame Espoo is an elegant and modern bioethanol fireplace designed to create a cosy and welcoming atmosphere in your home. This version of the Espoo features three oak legs and a manual bioethanol burner, providing a beautiful flame without the need for electricity or a chimney. The burner has a 3-liter capacity, offering up to 10 hours of burn time, and the flame can be adjusted to set the desired ambience. The Espoo is available in various color combinations, including natural oiled or black-stained legs and different finishes for the base plate.
