

## DENVER F6 3320MM

BIO-50-676

DecoFlame Denver F6 3320mm is an exclusive and innovative bioethanol fireplace that sets new standards in elegance and safety. Designed and manufactured in Denmark, this fireplace offers an exceptional experience with six adjustable flame levels and a flame length of 310 cm. Equipped with advanced safety sensors, it can be controlled via an app, remote control, or control panel. With a burn time of up to 17 hours and a heat output of 21.1 kW, the Denver F6 is ideal for large rooms without the need for a chimney or flue.
