

DENVER F6 3720MM

BIO-50-678

Decoflame Denver F6 3720mm is a premium bioethanol fireplace that combines stylish design with advanced technology. Measuring 372 cm in width, this fireplace features six adjustable flame levels, providing an impressive visual experience and efficient heating. Equipped with multiple safety sensors, it can be easily controlled via app, remote control, or control panel. With a burn time of up to 17 hours and a capacity of 24.3 liters, it ensures long-lasting comfort and warmth. Designed and manufactured in Denmark, the Denver F6 offers a safe and reliable heating solution without the need for a chimney.
