

DENVER F6 2120MM

BIO-50-670

Decoflame Denver F6 2120mm is a top-tier bioethanol fireplace, combining innovative technology and elegant design. With a width of 212 cm, this automatic burner offers six flame levels, controlled via app, remote, or control panel, ensuring easy and safe operation. Its advanced safety sensors and long burn time make it a reliable and stylish addition to any space. Perfect for large rooms, the Denver F6 2120mm provides up to 18 hours of mesmerising flames without the need for a chimney. Customisable to fit your needs, it's designed and produced in Denmark to the highest standards.
