

## DENVER F6 3120MM

BIO-50-675

DecoFlame E-Ribbon Denver F6 3120mm is an advanced automatic bioethanol burner, offering a 312 cm wide flame with six adjustable levels. It features a long burn time and multiple safety sensors for easy and secure operation. Controlled via smartphone, remote, or control panel, this burner combines cutting-edge technology with exceptional design. Ideal for modern spaces, it provides a luxurious and safe fireplace experience without needing a chimney. Designed and manufactured in Denmark, it guarantees the highest standards of quality and safety.
