

DENVER F6 2520MM

BIO-50-672

DecoFlame E-Ribbon Denver F6 2520mm is a premium automatic bioethanol burner, featuring a 252 cm width and six adjustable flame levels. It offers a long burn time and is equipped with multiple safety sensors for easy and secure operation. Controlled via smartphone, remote control, or integrated control panel, this burner combines innovative technology with outstanding design. Perfect for modern interiors, it does not require a chimney and ensures a stable, beautiful flame. Made in Denmark, it meets the highest standards of quality and safety.
