

## DENVER F6 2320MM

BIO-50-671

DecoFlame E-Ribbon Denver F6 2320mm is a premium automatic bioethanol burner, offering unparalleled fireplace experiences. With a width of 232 cm and six adjustable flame levels, it delivers long burn times and enhanced safety through multiple sensors. The unit can be controlled via smartphone, remote control, or the integrated control panel, providing ease and flexibility. Designed and manufactured in Denmark, this burner ensures top-notch quality and safety. It features an automatic refueling system and does not require a chimney, making it ideal for modern homes.
