

DENVER F6 CURVED - BESPOKE MEASUREMENTS

BIO-50-686

DecoFlame Denver F6 Curved is a high-end bioethanol burner from Danish brand DecoFlame, featuring a unique U-shaped design that offers a stunning visual effect. Customizable in size and curve according to your preferences, this burner provides a luxurious and personalized touch to any space. With a fuel capacity of 7.2 liters, it delivers up to 20 hours of burn time and features six adjustable flame levels. No chimney required, and powered by a 220-240V connection, it ensures a clean and efficient heating experience.
