

ATLANTA SINGLE BIOETHANOL STOVE

BIO-20-321

The ScandiFlames Atlanta Single is a small bioethanol fireplace designed to resemble a wood stove. It features a 1.5-liter fuel tank, providing a strong flame and a burn time of up to 6 hours. Made of steel with a powder-coated finish, the Atlanta Single combines durability with a modern design. This manual bioethanol fireplace requires no installation or electricity, making it versatile and easy to place in any living space. With a heat output of approximately 2.0 kW, the Atlanta Single creates cosiness from the fire in any room.
