

## THE ICONIC

BIO-70-230

THE ICONIC by Icon Fires is a striking ceiling-mounted bioethanol fireplace with a 90 cm diameter, serving as a focal point in any room. This rotating fireplace offers a 360-degree view of the flames and provides a maximum heat output of 6.7 kW. With a burn time of up to 12 hours per refill, you can enjoy both warmth and ambience for extended periods. It requires no chimney and comes with adjustment tools and hanging rods in various lengths to fit your room height. The design combines aesthetics, functionality, and sustainability.
