

VICTORIA BIOETHANOL - DEMO

Demo-328

The Victoria bioethanol fireplace from Westbo is a beautiful and traditional cast iron fireplace that combines classic Swedish design with modern technology. Equipped with a 1.2-liter burner, this bioethanol fireplace offers up to 3 hours of burn time on a single fill. The large window extending to the sides provides a stunning view of the flames from multiple angles. Easy to install, this fireplace can be placed in any room, adding both warmth and a cosy atmosphere. It's an ideal choice for those seeking a maintenance-free fireplace with a classic look.
