

## VICTORIA ELECTRIC - DEMO

Demo-329

The Victoria electric fireplace from Westbo blends classic Swedish design with modern functionality. Crafted from cast iron, this fireplace delivers a 1.2 kW heat output and requires only an electrical connection. Its large window allows you to enjoy the flames from multiple angles, while the hidden hot plate beneath the stove's crown adds practical utility. The Victoria electric fireplace is both beautiful and functional, making it an ideal addition to any room seeking warmth and cosiness.
