

SKAGEN BIOETHANOL FIREPLACE - BLACK

BIO-50-405

Skagen Black Bioethanol Fireplace: The Perfect Blend of Modern Design and Practical Functionality. With its sleek black finish, the Skagen bioethanol fireplace seamlessly complements both minimalist and luxurious interiors. Using bioethanol, it offers a smokeless and hassle-free heating solution, requiring no chimney or gas connection. Featuring a 2-litre fuel capacity, up to 3 kW heat output, and a burn time of approximately 5-6 hours, this fireplace allows you to enjoy warmth and coziness without worries of ash or smoke.
