

HALS BIOETHANOL FIREPLACE - BEIGE

BIO-50-413

Hals Beige Bio fireplace brings a minimalist and modern design into your home. This bioethanol fireplace is perfect for those who want a smoke-free fireplace experience with bioethanol as fuel, which means no smoke, soot or ash. With its beige fireplace frame, it fits into bright and open spaces and is ideal for both homes and apartments that want a great design and maintenance-free heating. With a burner capacity of 2 litres, up to 3 kW heat output and a burn time of approximately 5-6 hours, it makes it a practical heating solution.
